

3rd Grade PASSION PROJECT: Description & Rubric

May 4 - May 13

PRESENTATION DATES: MAY 14, 15

Over the next ten days, you are challenged to find an area of passion to explore. Is there a sport that you really love? Do you want to learn about your favorite animal? Do you want to learn American Sign Language? Are you intrigued by the wonders of space? Is there a country you are dying to visit? THE SKY IS THE LIMIT! Your child can choose to explore anything that they would like to learn about!

Here are the guidelines for the project and the criteria for assessment:

Expectations	Possible Points
<ul style="list-style-type: none">Choose an area of study for your project.	10
<ul style="list-style-type: none">Develop a list of (at least) three questions for guiding your work.	10
<ul style="list-style-type: none">Integrate all subject areas: ELA, Math, Science and/or Social StudiesYou can integrate content areas however you would like - be creative!	20
