

meet The 3rd grade teachers!

Mrs. Jennifer
Smith
Math

I cannot wait to begin my sixth year teaching at Campus School! Just to let you know a few things about myself...

I am a born and raised Memphian, and I also received my degree in Elementary Education from the University of Memphis. My husband and I welcomed our son, Huck, this past spring. We can frequently be found running at Shelby Farms Park, enjoying some of the delicious local eateries Memphis has to offer, or planning our next international adventure. This year is going to be GREAT!

I am thrilled to begin my tenth year of teaching here at Campus School! For those of you who don't know me...

I received my Bachelor of Fine Arts in Acting from New York University, and my Master of Arts in Teaching, with a concentration in Early Childhood Education, from the University of Memphis. My family is affectionately known as "The Bradys," as we have a combined household with two boys, Aidan and Abe, and two girls, Meredith and Anna. All Campus alumni, Aidan is a junior at CBHS, Meredith is a junior at WSHS, Anna is an 8th grader at MSSA, and Abe is a 7th grader at MSSA. Needless to say, getting the kids to their respective schools is an adventure!!

I am thrilled to be part of the Campus School 3rd grade team! To share just a little bit about myself, this year marks my 23rd year in education. I am a graduate of Christian Brothers University with a B.A. in Human Development. I am currently certified to teach grades K-8. I also have a M.S. in Leadership and Policy Studies from the University of Memphis. In addition, I am certified as a PK-12 Administrator in the state of Tennessee.

I enjoy reading, watching movies, and spending quality time with my husband and family. I have three sons who all attend University Schools – Thomas is a 6th grader at University Middle this year, and Nicholas (5th grade) and Jason (3rd grade) are here at Campus!
